

`boost::enable_shared
_from_this< ServerLink >`

`noncopyable`

`ServerLink`

```
graph BT; SL[ServerLink] -- blue arrow --> B[boost::enable_shared_from_this< ServerLink >]; SL -- red arrow --> N[noncopyable];
```

The diagram illustrates the inheritance of traits for the `ServerLink` class. A central box labeled `ServerLink` has two arrows pointing upwards to two other boxes. A blue arrow points to a box containing `boost::enable_shared_from_this< ServerLink >`, and a red arrow points to a box containing `noncopyable`.
